WE ARE AMERICA'S CONSERVATION ORGANIZATION

The mission of the National Wildlife Federation is to inspire Americans to protect wildlife for our children's future.

We focus on three goals:

- Confronting global warming
- Protecting and restoring wildlife & habitat
- Connecting people with nature

Awards

2009 National Conservation Achievement Award Winners

The National Conservation Achievement Awards were established in 1965 to recognize individuals and organizations playing a leadership role in protecting and restoring the wildlife and wild places of our world. Nominations are received from the conservation community and the general public, with winners selected by the National Wildlife Federation Board of Directors.

Conservationist of the Year: Senator John Warner, Virginia
Communications: Tom Toles, *The Washington Post*, Washington, DC
Corporate Leadership: Kettle Foods, Oregon
Education: James Elder, Campaign for Environmental Literacy, Massachusetts
Organization: The Ella Baker Center for Human Rights, California
Philanthropy: D. Keith Campbell and Verna Harrison;
The Keith Campbell Foundation for the Environment, Maryland
Science: Dr. Katey Walter, University of Alaska
Youth: Taylor Francis, California

For more details on our awardees, please go to:

Building A New Clean Energy Economy

America - its, people, economy, and natural heritage - face an unparalleled challenge from global warming. Over dependence on fossil fuels stands to reclaim all the important victories we have won for wildlife. But in the face of such adversity, we see opportunity. Our National Conservation Achievement Awards honor those who are committed to help create a new clean energy economy, and inspire Americans to protect wildlife for our children's future.
